SERVICE DETAILS

Website Designs

All Website Designs come with a Free Custom Domain for 1 year.
Website Designs must sign a 6 month agreement before proceeding.

Agreements

Written Agreements will be established prior to work in order to define the expectations of both parties, ensuring a successful and efficient partnership.

Packages

Packages can be tailored to meet the specific needs of each business. Comprehensive consultations will be conducted to guarantee satisfaction.

* Dedicated Time

Dedicated Time is reserved for you based on your varying needs month to month. This time may be used for (but not limited to):

- Search Engine Optimization
- Website Updates and Bug Fixes
- Addition/Changes of Features
- Growth & Development Planning
- Reviewing Analytics
- Training on Website/Shop Features

Any time used beyond Dedicated Time will be billed at \$18/hr.

** Search Engine Optimization

Search Engine Optimization (SEO) is used to move your business up in search engine results/algorithms. This is a practice that will be done during Dedicated Time when requested. Although this function will ensure enhanced search results, it performs best when paired with Google Ads.

*** Google Ad Management

Google Ads are used to bring your business name to the top of search results. All ads are be billed and paid for with your own payment method. You pay as much (or as little!) as you chose.
